## Hillsborough Raider Diamond Club Minutes

### **Approval of December mins – Lisa Sabo and Christine B**

**Finances** -No report   Vote to increase the Pancake breakfast budget from \$3000 to \$4000 due to increase of costs of food ( i.e last year batter was \$70 and this year it is \$140 and ihop is only donating 1 when he donated 2 last year) was unanimously approved by the club. Motion to approve Tracy Lotierzo and Jen Westcott. All in favor.

**Sponsorship** – New sponsor Wheelhouse Training. Shout out to Brian Boor he has been a tremendous help with the sponsors this year.

**Rent-a-Raider**- Will have total hours available soon for the board. The old banners have been disposed of and need to order new banners for Fall 2023. We have approximately 40 RAR lawn signs left, save your sign and use next year if it is in good condition.

**Squad Locker** – 10 % off every purchase. New products. We did not get any commission from last season, we only receive on the fan purchases. Dave will make a squad locker card with QR code for the tables at the pancake breakfast.

**Pancake Breakfast**- Committee leads will meet 1/25 to finalize everything. If you have not picked up your tickets see Tracey Lotierzo. Class leads are collecting items for baskets, 1-2 little league pictures of each player and scratch offs. Signs up coming out this week. Luke is going to check the kitchen equipment. Please share social media posts. Everyone is expected to work the pancake breakfast, it is our largest fundraiser and unfortunately schedule cannot guarantee to meet any CYO basketball schedules.
