

RAIDER DIAMOND CLUB

Monthly Meeting Agenda

Wednesday, October 9, 2024 / 7PM

LOCATION: Hillsborough High School, Room 115 7:05pm

Board in attendance: Brian Cooper, Jay Glazewski, Jenn Glazewski

- Welcome: Brian Cooper, President
 - Approval of September Minutes - Approval
- Finances: Mike Kandell, Treasurer (shared via email, unable to attend)
 - 2024/2025 budget assumes more expenses than inflows as we look to reinvest the "profit" we recognized in the 2023/2024 fiscal year.
 - The three main areas we are looking to invest are:
 - Field maintenance - there are various projects that need addressing including but not limited to: a dugout cover for the JV field, a new windscreen, improving the bullpens and batting cages and improving the area behind the backstop
 - Equipment - the coaches would like to invest in new training gear including bands, weights, slant boards and screens for the bullpen and batting cages
 - Pancake breakfast - we've increased the expense budget for the pancake breakfast given that it's the 25th anniversary
 - Our "big 3" fundraising events are the 1. Pancake breakfast, 2. Rent a Raider program and 3. Snap fundraiser (we will ask for donations this year instead of selling snacks). We've decided against doing the pie fundraiser this year due to a low profit margin.
